LEVERAGING EDELWEISS

DIGITAL CATALOG SERVICES
Host and manage your digital catalogs where they can be accessed by independent bookstores, libraries, media, agencies, and other book professionals.

- Develop a branded landing page to direct readers from your website and other marketing
- Craft custom catalogs, manage title metadata, and add comparable titles to assist accounts with making orders
- Sales reps create “mark-ups” (i.e. annotated catalogs) for their accounts with notes, tags, priorities, and suggested quantities - streamlining the sales process
- Accounts submit orders directly through Edelweiss or export to send another method
- New catalogs are included in the weekly newsletter that goes to over 70,000 book professionals

REVIEW COPIES
Share digital or print review copies with book buyers, influencers, and reviewers to generate buzz, orders, and reviews.

- Incorporate review copies into your sales communications so that book buyers can review prior to purchase
- Share review copies with contact lists and include in email, web, and social media marketing
- Customize messages to readers to include a call-to-action (review, nomination, purchase, etc.)
- Expand your reach to new audiences of 135,000+ book professionals in Edelweiss+
- New review copies are included in the weekly newsletter that goes to over 70,000 book professionals

135,000+ BOOK PROFESSIONALS
» 20,000+ booksellers, including 2,700 verified B&N employees
» 18,000+ librarians
» 16,000+ publishers, distributors, and sales reps
» 9,000+ academics
» 6,000+ media or agency professionals
» 50,000+ reviewers, readers, or other book lovers
